1.WILLIAM MCELWEE

William McElwee was born in Hampshire County VA (WV) in 1818 and died in Gilmer County WV April 15, 1902. He married Barbara Ellen Oats. Barbara was born in Hampshire County about 1830 and died September 4, 1907. The family appeared in the 1860 Calhoun County census and in the 1870 Gilmer census.

In the 1850 Gilmer County census, William's wife is listed as "Margaret" rather than Barbara. This is probably an transcription error when the original hand written record was read and typed. The original records have faded and were written in a penmanship style that has long gone out of fashion. Transcription is often a matter of guesswork.

Examination of the 1860 Calhoun census indicates that the family lived in Taylor County VA (WV) at least from 1843 until 1854. They moved to what is now Calhoun County in time to have a child born there in 1856.

The family is listed in the 1870 Gilmer County WV census with the three youngest children.

Children of William and Barbara Ellen (Oats) McElwee.
